Hello Ali, I wanted to give you a heads up that after working for the State of California for more than 29 years I have decided to retire.

I have submitted my retirement application to CalPERS, and it is being processed.

I've indicated that my last day with the California Department of Public Health will be on Friday, December 29, 2023.

Thus, my official retirement date is January 1, 2024.

I'd like to announce my retirement to my Media Team colleagues first, and then when you deem appropriate, to the Office of Comms team.

Out of respect for you, Brian and Melinda –I wanted to first give you three a heads up.

Thank you.
